	Membership Number	

3. Describe briefly the nature of the engineering service intended to be provided in Prince Edward Island and the location of the work to be performed.

My signature on this application represents my irrevocable consent for the Association to obtain and to release information and records relevant to the engineering licensure process in Canada. I also hereby release any party providing such information and records from liability for such action.

I hereby certify that this application and supporting documents are a true record of my education, experience and history. I understand that qualifying examinations and/or experience may be assigned to me to fulfill academic and experience criteria for registration or licensure. I may also be required to attend, at my own expense, an interview to assess my qualifications.

I have read, am familiar with, and agree to be governed by the Act, By-Laws and Code of Ethics of the Association of Professional Engineers of the Province of Prince Edward and **all other jurisdictions** in which I practice. I will immediately advise the regulatory bodies in all jurisdictions in which I practice of any disciplinary action taken against me by a regulatory body or any conviction against me for a regulatory or criminal offence.

Imprint Seal of Home Association(#2 Above):

(Your Name as you wish it to appear on your stamp)

Signature Date

DUES AND FEES ENCLOSED (REFUNDABLE ON NON-ACCEPTANCE)

Registration	+	Annual Dues	+	Seal	=	TOTAL
\$100.00		\$450.00		\$30.00		\$580.00

The registration fee is a non-recurring fee as long as membership is kept current. Should membership lapse, a re-registration fee will apply. All licences and seals are issued on a calendar year basis, regardless of when the application is made.

A personalized seal will be provided upon approval of this application by Council and will be forwarded to the business address on the application. The seal verifies professional expertise and experience and is to be used as required by the Engineering Profession Act and the By-Laws. **If a licence lapses, is cancelled or otherwise becomes void, the seal related to that licence automatically becomes null and void.**
