WORK HISTORY

2014 – 2015

MV Stratego

Consultant, Strategic planning, Re-engineering & Process improvement

Established diagnostics based on challenges of companies, departments, services, processes... Prepared improvement opportunity proposals for managers with implementation and tracking plans. Supported managers to prepare simple and motivating strategic plans for their services and employees; business plan, development plan, key measures...

Contract from: Transport Network of Longueuil – RTL (Quebec) & City of Chateauguay (Quebec)

1999 - 2014

Bell Canada

General Manager

Managed Bell's engineering office in Western Canada (Alberta and British Columbia); developed strategic plans to support EBITDA, implemented continuous improvement program (projects tailored with Six Sigma approach) & ensured timely network delivery - primarily the delivery of the 2008 winter Olympic games network in Vancouver while transforming the engineering bureau. Worked closely with the Executive team of this region to integrate the western business unit (Bell West-GT) into Bell Canada after business acquisition/integration transaction. Coached managers on various aspects of their roles/responsibilities.

Regional manager

Managed different admin and technical teams of engineering and project management (from 3-120 employees/managers and technicians). Developed business plans, implemented tactics and measures, conducted various process improvement projects as well as technical project deployments, created and managed a program management office, managed financial portfolios, presented regular updates on results and action plans to Executives, prepared reports and proposals, trained and coached employees on management and personal development aspects.

Design Engineer

Designed telecommunication network, managed its capacity and its implementation.

1993 - 1998

Other work experiences

- Engineer for construction Cies in Guadeloupe (FWI); **ICM & SNT**
 - Construction of schools, housing, cargo airport ...
- Engineer for **Ministry of transports of Quebec & City of Vaudreuil (Qbc)**
 - Construction of roads, bridges and contract management

VOLUNTEERING ACTIVITIES 2013 - 2015

- Reading skills development assistant - grade 1 (2015 – Thailand)
- Advisor/coach for NGO & Kids club manager on strategic planning (2014 – Thailand)
- Project manager for yoga studio and artist (2013 – Thailand)
- Project manager for homes & roads construction post-earthquake (2010 - Haiti)
- Engineer without Borders – establishing business partnership (1995 - Mexico)
