Candidates for registration as Professional Engineers in the Association of Professional Engineers of Prince Edward Island are required to write and successfully pass the National Professional Practice Exam (NPPE). It is recommended that applicants have at least one year of work experience after completion of their formal education before the exam is attempted. It is conducted five times per year, and deals with professionalism, professional practice, regulatory authority requirements, law and legal concepts, and the Act, Bylaws and Code of Ethics.

**Please submit a copy of your government issued photo id with your application, which provides proof of residency in PEI.**

I declare the statement made on this form to be true and correct to the best of my knowledge and belief. I have read and understand, and agree to be governed by the Act, By-Law and Code of Ethics of the Association of Professional Engineers of Prince Edward Island.
