On behalf of Council

FOR IMMEDIATE RELEASE:

**Engineers Geoscientists Manitoba Launches Search for Permanent CEO/Registrar**

Winnipeg, Manitoba - Engineers Geoscientists Manitoba announced today that the search for a permanent CEO/Registrar has officially begun. Engineers Geoscientists Manitoba's Council has engaged Lively Consulting to facilitate the recruitment process.

Lively Consulting will collaborate closely with the Recruitment Committee and Council to ensure a transparent and efficient selection process.

Key details regarding the CEO/Registrar search timeline are anticipated as follows:

- **Application Deadline:** February 29, 2024
- **Interviews with the Recruitment Committee:** March 2024
- **Candidate Selection:** April 2024
- **Permanent CEO/Registrar Start Date:** April - June 2024

Kathryn Atamanchuk, 2023-2024 Engineers Geoscientists Manitoba Council President, adds - *"I would like to express my gratitude to the entire Association staff and the interim CEO/Registrar for their unwavering dedication and hard work during this period of transition. As we embark on this next phase of our journey, I am confident we will identify an exceptional leader to guide the Association into a successful future"*.

The complete position profile, including application instructions, can be found [here](#).

Engineers Geoscientists Manitoba is the leader in governance and regulation for the practice of professional engineering and professional geoscience in the province of Manitoba. The Association administers *The Engineering and Geoscientific Professions Act* by licensing professional engineers and geoscientists and setting standards for and regulating these professions in Manitoba so that the public interest is served and protected. Rigorously educated, experienced, and committed to a Code of Ethics that puts the public interest first, licensed engineers can be identified by the "P.Eng." and licensed geoscientists by the "P.Geo." after their names.

Lively Consulting is a talent acquisition consulting firm recognized for its diligent executive search work and for providing an exceptional candidate experience.
